Can you read minds or something?

I'm really good at interrogating~
Huh? You knew the whole time?
Because you're easy to read!

There's something else~!

Give this to him
Huh?
뚝!

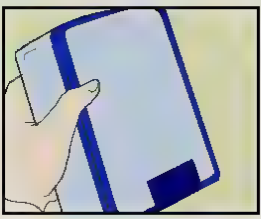
What's this?
Some food I cooked up for him
That's not what I meant!
Why do you want me to give this to him?
Well
I made too much food...
I was thinking there was a poor soul living on his own who would want to eat this
And

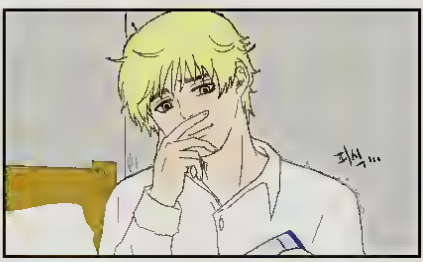
I wanted to thank him for taking
Such good care of you

It's not good cold so hurry and bring it to him!
Flashback over

Somehow
I think this will weird him out

Hope he doesn't take it the wrong way





Hh..

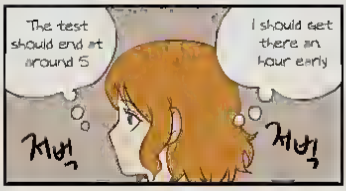
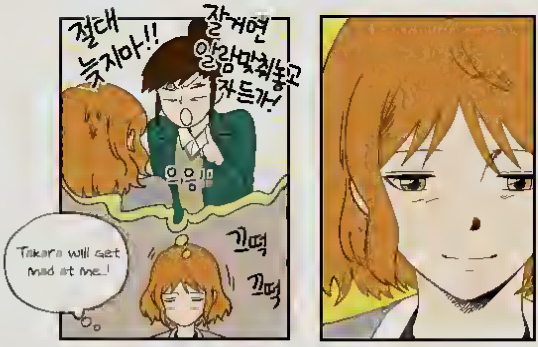
Uhh. I'm worried





Takara Absolutely don't be late! Make sure to set the alarm before you sleep!

발그레~

Is your arm

At that time
I
lost my temper

That's right.. You did lose your temper
You were out of your mind !

Not even once!
